

35th Anniversary of the Pontifical Recognition of the Fraternity of Communion and Liberation
12th Anniversary of the death of the Servant of God Msgr. Luigi Giussani

Holy Mass with

**His Eminence John Cardinal Njue
Archbishop of Nairobi**

**Nairobi 26th February, 2017 – 12:00
St. Francis Xavier – Limuru Rd, Parklands**

I am grateful to Fr. Giussani for a variety of reasons. The first, a more personal one, is the good that this man did for me and my priestly life through the reading of his books and articles. The other reason is that his thought is profoundly human and reaches all the way to the innermost depths of the human heart's yearning. You know how important the experience of the encounter was for Fr. Giussani: the encounter not with an idea, but with a Person, with Jesus Christ. Thus he educated to freedom, guiding to the encounter with Christ, because Christ gives us true freedom.

Pope Francis

Rome, St. Peter's Square, 7 March, 2015

Intention for the Holy Mass

"We ask God for the grace to wholeheartedly accept Pope Francis's invitation to learn and to beg for the true poverty that **"describes what we truly have at heart: the need for Him"**, that we may always live life as a "courageous beginning directed at tomorrow."
