

*“Through Fr. Giussani, the Holy Spirit aroused in the Church a Movement, yours, that would witness the beauty of being Christian in an era in which the opinion was spreading that Christianity was something tiresome and oppressive to live.*

*Fr. Giussani at that time set himself to reawaken in the youth the love for Christ, "The Way, the Truth and the Life", repeating that only He is the road toward the fulfilment of the deepest desires of man's heart, and that Christ saves us not despite our humanity, but through it.*

*The original pedagogical intuition of Communion and Liberation lies in proposing the Christian event within contemporary culture in a fascinating and harmonious way, perceived as able to orient one's entire existence.”*
