

33rd Anniversary of the Pontifical Recognition of the Fraternity of Communion and Liberation
10th Anniversary of the death of the Servant of God Msgr. Luigi Giussani

His Eminence John Cardinal Njue Archbishop of Nairobi

Nairobi 22nd February, 2015 – 11:30
St. Joseph ~ Kahawa Sukari

“Through Fr. Giussani, the Holy Spirit aroused in the Church a Movement, yours, that would witness the beauty of being Christian in an era in which the opinion was spreading that Christianity was something tiresome and oppressive to live.

Fr. Giussani at that time set himself to reawaken in the youth the love for Christ, "The Way, the Truth and the Life", repeating that only He is the road toward the fulfilment of the deepest desires of man's heart, and that Christ saves us not despite our humanity, but through it.

The original pedagogical intuition of Communion and Liberation lies in proposing the Christian event within contemporary culture in a fascinating and harmonious way, perceived as able to orient one's entire existence.”

Benedict XVI

Intention for the Holy Mass

On the tenth anniversary of Fr. Giussani's birth to heaven and as we await the imminent gathering with the Holy Father in Rome, let us ask the Lord for the grace to live fully Pope Francis' invitation to “preserve the freshness of your charism... always renewing your ‘first love’ ... always on the way, always in movement, always open to God's surprises.”
